To whom it may concern

The Ministry of Health of Ukraine presents its compliments to you and expresses our deep gratitude for your help in this difficult time for our country and addresses the following.

Due to the martial law in Ukraine, there is currently a **critical need** to meet the needs of patients with medicines.

Today, the plant for the production of the drug "Fentanyl", located in Kharkiv, has stopped, so now there is a critical need to meet the drug "Fentanyl" for the needs of Ukraine.

We request you to help with **emergency assistance** to Ukraine in providing the drug "Fentanyl" in any possible amount.

Furthemore, we would like to draw your attention to the fact that the situation with the supply of "Fentanyl" in Ukraine is critical.

The approximate daily requirement of fentanyl for the needs of Ukraine is 10-15 thousand ampoules per day of any dosage.

We ask you to deliver the drug to the Republic of Poland, the logistics and delivery from the Republic of Poland, the Government of Ukraine will carry out independently.
